Sec. Tumulty Accused of Consulting With Baruch

(The Associated Press.)
WASHINGTON, Jan. 5, 2:30
p. m.—Secretary Tumulty has
issued a statement flatly de-
nying any knowledge of the
president's peace note before
it became public property. He
demands a public apology.

WASHINGTON, Jan. 5.—Represent-
ative Wood, testifying before the
house rules committee on the hear-
ing of the resolution for an investi-
gation whether there has been a
"leak" on information regarding the
contents of the president's peace note,
mentioned the names of Secretary
Joseph P. Tumulty; a "Mr. Bolling,"
brother of the president's wife; Bern-
ard Baruch; Otto Kahn of Kahn Leob
and company, and several brokerage
firms.
Representative Wood further stated
he had made charges against no one
and information of that nature was
pure hearsay. He objected to testify-
ing publicly. He said he had been in-
formed that Baruch had information
regarding the peace note two or three
days before its publication. He also
stated Baruch conferred with Secre-
tary Tumulty at a New York hotel
about that time. It developed his state-
ments were based chiefly upon cer-
tain letters received from a man nam-
ed Curtis—a Wall street broker. Sub-
poenas have been issued for Baruch
and Curtis.
"Mr. Bolling," Representative Wood
declared, was a member of F. A.
Connelly & company, a local broker-
age concern which he said profited

POPULAR OFFICIALS OF FAMOUS "DIXIE FLYER" ROUTE HERE

J. A. Von Dohlen, Florida Passenger
agent of the N. C. & St. L. railway,
accompanied by J. H. Rafferty, dis-
trict passenger agent of the Georgia,
Southern & Florida railway, with
headquarters in Jacksonville are in
the city in the interests of their re-
spective railroads, especially to
"boost" the famous Dixie Flyer and
the almost as famous Dixie Limited.
Both gentlemen are guests of the Ho-
tel Despland.
In an interesting conversation this
morning at the Daily News office Mr.
Von Dohlen declared that the Dixie
Flyer came into Jacksonville yester-
day morning in two sections and also
left Chicago yesterday in two sec-
tions. He added that the business is
easily 50 per cent ahead of last year
so far as the Dixie Flyer train ser-
vice is concerned.
The sister train of the Dixie Flyer,
the Dixie Limited will be inaugurated
January 10 and will thereafter leave
Jacksonville at 9:15 a. m., daily for
Chicago and St. Louis, which will
give double daily service to these
points.
It will be of particular interest to
patrons of the Dixie Flyer route to
know that Thomas Mason McQueen
who represented this route last sea-
son in Daytona will again look after
the reservations this season for vis-
itors to Daytona. Mr. McQueen was
very popular in previous seasons and
made numerous friends while here.
Mr. Rafferty is very optimistic as
to the business outlook for the Dixie
Flyer route and very enthusiastically
declares that Florida is going to
have the best season it ever has en-
joyed.
The Dixie Flyer has now been in
operation for more than 18 years, by
which name it has been known to the
traveling public ever since its inaugu-
ration.

bridgehead positions before Braila
was the report issued by the war of-
fice. Four Rumanian towns and 1,400
prisoners were captured.
The Russians this morning at-
tacked German positions on the north-
ern part of the Russo-Galician front
north of Friedrichstadt, according to
an announcement made by the war
office here. Severe fighting is still in
progress but the czar's troops were
repulsed in four successive attacks
near Dvinsk.

The William Howard, one of the

boats, has drifted on a bank between

is thought that the Howard will be

FREIGHT DERAILMENT
DELAYS PASSENGERS
The derailment of several cars of
a northbound freight train in the vi-
cinity of Hastings yesterday evening
delayed the Overseas Limited No. 85,
due here at 5:15 p. m., until nearly
5:00 o'clock this morning. The New
York and Florida special, due here
at 7:47 p. m., was run around the
obstruction by way of the A. C. L.
from Jacksonville to Palatka. It is
said only three cars were derailed,
but the track was so badly torn up
and obstructed that it was necessary
to summon the wrecking crew from
New Smyrna and this consumed
some time. The wrecking train passed
this place about 9:00 o'clock for the
scene of the wreck.

THE CAKE BOX.

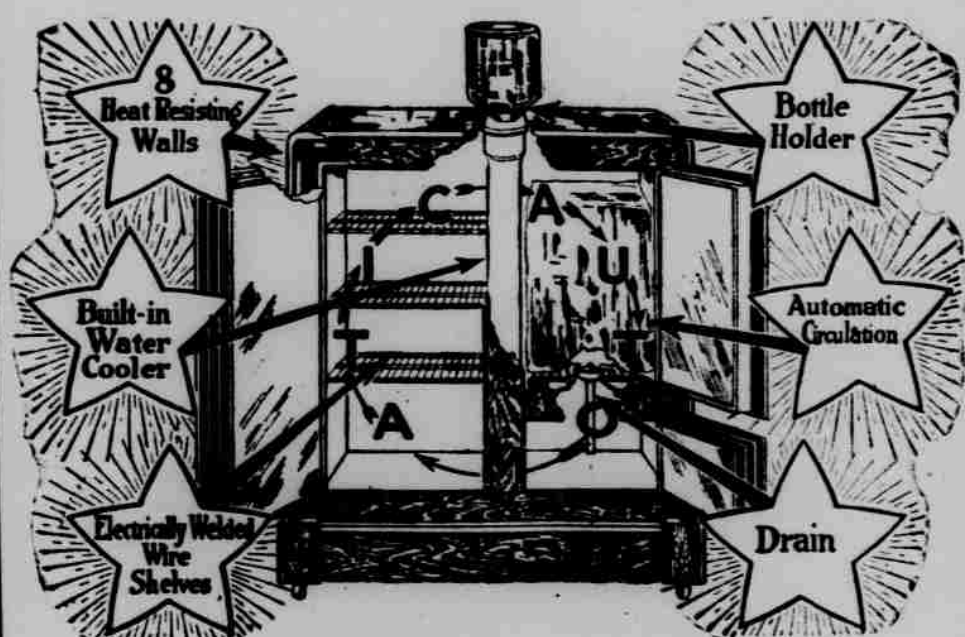

DELICIOUS CAKE WITHOUT EGGS OR BUTTER.—One cupful thick sour milk, one cupful sugar, one-half cupful lard, two cupfuls flour, one cupful chopped raisins, a few grains of salt, one teaspoonful soda, one teaspoonful cinnamon, one-half teaspoonful nutmeg. Stir soda into sour milk, add melted lard, sugar, salt and spices; add raisins to flour. Beat all ingredients together. This makes one loaf or twelve small cakes baked in gem pans.

Holiday Fruit Cakes.—One pound well washed butter, two cupfuls sugar, grated rind of one lemon, ten eggs, one-fourth cupful molasses, one teaspoonful cinnamon, one-half teaspoonful each cloves and nutmeg, two teaspoonfuls allspice, four cupfuls flour, two pounds seeded raisins, one pound currants, one-half pound sliced citron, one-fourth pound candied orange peel. Cream butter and sugar, add grated rind, break in eggs without beating one by one, beating mixture vigorously between each; mix molasses and spices, add to the batter, then flour and lastly fruit; mix thoroughly, pour into two loaf shaped pans lined with buttered paper and bake in slow oven five hours. If oven is too hot cool with pan of cold water. When done wrap in paraffin paper and it will keep a long while.

Banberry Tarts.—To make mix together one-half pound of cleaned currants, one-eighth pound of beef suet chopped very fine, three ounces of orange peel and an ounce of lemon peel (candied), shredded fine; a pinch of salt, cinnamon and other spices to taste and two ounces of rattails rolled to a powder, or you may use pure molasses. If molasses is not used moisten to a paste with hot milk and add half a cupful of dark sugar.

Make a flaky crust of butter and flour, roll out thin and cut in squares, spread evenly and thickly with the fruit paste, cover with another square, moisten edges and turn in all around. Mark the whole with the back of a knife in even distances around the edges and bake a nice brown in a quick oven. Each tart should be brushed over with the white of an egg.

The picture was an interpretation of classical mythology and nymph art and the audiences were well pleased with the show. Music was furnished by a seven-piece orchestra.

NEW YORK PAPERS PRAISE "THE FALL OF A NATION"

Here are some New York comments on "The Fall of a Nation" the great patriotic spectacle by Thomas Dixon and Victor Herbert, which will be shown at New Daytona theatre on January 9th and 10th: New York Times: "Interesting and full of thrills. Mr. Herbert's music is effective." Evening World: "Thrilling and impressive." Sun: "Wonderful scenes of war." Post: "The pictures exemplify the highest degree of skill in the photographic art." Mail: "The Fall of a Nation" is inspired." Journal: "Thrills the audience." American: "A triumph of film art." Globe: "Pictorially excellent." Telegram: "The big guns are shown at their deadly work." Review: "Contains the biggest battle scene." Morning Telegraph: "A great picture, the highest example of the photographer's art."

FAMOUS STAR IN NEW PLAY OF THE UNDERWORLD

Emily Stevens, famous as a stage and screen star, will be seen at the Crystal theatre tomorrow in a new Metro wonderplay of business life and the underworld called "The Wager." Written especially for Miss Stevens, "The Wager" gives this great actress unusual opportunities to show her fine emotional powers. It deals with a bet made by business men and a police official that one of them, a jeweler, can be victimized of jewels worth \$5,000. "Diamond Daisy" Doyle (Miss Stevens) is called in by the police official to help him win the money.

Then follow a series of dramatic situations that are unique in motion pictures. The self-sacrificing spirit of Daisy Doyle, her great love for a man who is hounded by the police; the efforts of an energetic detective to put Daisy in prison despite her reformation are some of the absorbing features of the masterpiece.

An exceptionally strong cast surrounds Miss Stevens. Lyster Chambers plays the part of Daisy Doyle's sweetheart; Hugh Jeffrey is the detective who hounds Daisy; Daniel Jarrett is the police commissioner; Frank Currier and Charles Bowser are the jewelers who figure in the bet, and Harry Mayo is the secretary to the police commissioner.

Miss Stevens has won fame on the screen in "Destiny," "The Soul of a Woman," "Cora," "The House of Tears," and "The Wheel of the Law."

THE WEATHER

FOR FLORIDA: Generally fair
 tonight and Saturday; cooler.
 Fresh and strong west winds.

The Texas disturbance on the
 previous may have developed consider-
 able intensity and is central over the
 Ohio valley, having given general rain
 over most districts east of the Mis-
 sissippi river. It is followed by rising
 pressure and colder weather.

Temperatures continue 10 degrees
 to 15 degrees above the seasonal av-
 erage over the gulf states, and much
 of Atlantic coast section except Texas,
 where the weather is about 15 degrees
 colder than the seasonal. The weather
 is generally colder, however, west
 of the Mississippi river, the line of
 freezing dipping into the Texas pan-
 handle, with about zero temperature
 over the extreme northwest. Fresh to
 strong northwest winds prevail on the
 coast and middle gulf coast; they are
 still southerly on the south Atlantic
 coast. Conditions favor generally fair
 weather tonight and Saturday with
 cooler.

tematizing the charities of Daytona, and with the idea of forming an organization of Associated charities. Mrs. Stanley urged all to attend and to take an especial interest in this glaring necessity.

A pleasing acquisition to the younger social set of Daytona for the winter is Miss Ruth Lyon, who with her attractive mother, Mrs. Harriet Lyon is domiciled at La Vergne Mansion for the season. Mrs. Lyon has a beautiful summer home at Hull, on the Massachusetts south shore. Mrs. Lyon and her daughter were visitors to Daytona two years ago.

Eugene Jones was again the host on Thursday evening when he entertained a few friends at bridge at the bungalow home of his mother, Mrs. Lewis Stout at the corner of South Palmetto and Live Oak avenues. Among the guests were Mrs. Harry Thompson, Mrs. Harriet Caswell, E. S. Betts, the well-known New York architect. An al fresco supper was served after the card game.

PALMETTO CLUB NOTES

Among the many announcements made at the Literary day at the Palmetto club on Thursday afternoon by the president, Mrs. Nathaniel C. Sears, was an invitation to the members and friends to attend an exhibition of aesthetic and interpretive dances on Tuesday afternoon, January 9th at 3:30 at the clubhouse. The young ladies taking part will be Miss Post of New York and Washington, Miss Lutz of New York and Miss Sanderson of DeLand. Mrs. M. P. Cornwall and Mrs. Menefee Huston will pour at the tea served in the tea room. The proceeds of the afternoon will be devoted to the grand piano fund.

Friday morning January 12th has been set for the time of the next morning musicale at the clubhouse. The subject of the morning will be the life and compositions of John Knowles Paine, with Mrs. M. P. Cornwall as leader.

"SOUTH AMERICA" SUBJECT OF THE PALMETTO CLUB

South America, its wonders and attractions was the subject of Literature day at the Palmetto club on Thursday afternoon. The attendance was unusually large and appreciative of the splendid program which was carried out by the members of the literature department with Mrs. Howard Y. Stillman as chairman. The stage of the reception room was particularly attractive with a splendid scene of a snow clad mountain range of South America, vividly portraying the magnificence of its rugged and mighty grandeur, formed a background. Bamboo stalks and palmetto branches graced the front of the stage. Three flags representing Argentine, Brazil and Chili were in evidence.

After a few announcements by the president, Mrs. N. C. Sears, Mrs. Howard Y. Stillman in Spanish costume opened the program with a splendid paper giving a general survey of South America from its first barbarous days down to the present, picturing its magnificence and wealth. The Palmetto orchestra's several selections were, as usual, well executed. Miss Carrie Wright delighted with

well chosen solos, M. P. Cornwall accompanying. Mrs. Graham Thompson dressed as an Abbess, graphically related the Arequipa legend in a clear well-modulated voice which was one of the best numbers. "Some South American Capitals" was the topic of Mrs. Emma Freeman's paper, who, in lovely Spanish dress, carried the listeners through the ancient capitals of South America in an extremely interesting manner. A. E. Donnelly gave the audience a rare treat with several beautiful violin selections, Miss Dora Williams accompanying. Mr. Donnelly's mastery of the violin is marvelous, his playing showing skill and finish. Mrs. C. E. Gardiner dressed as a Bolivian, interestingly and concisely, told of the customs of the people of Bolivia.

The program was brought to a close with piano selections by Everett Von Schumacher.

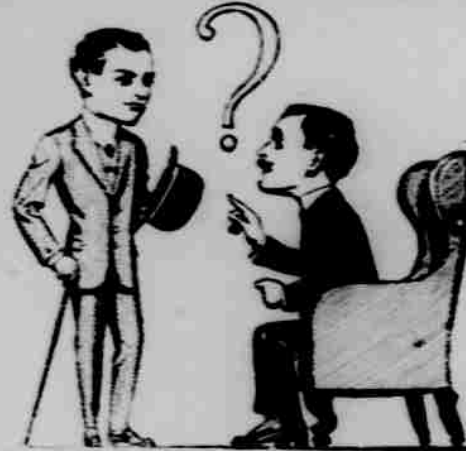

The hostesses of the afternoon were Mrs. William L. Coursen and Mrs. Leverett H. Cutten who received dressed as Spanish ladies.

The Optimist

Devoted to Cheering Up the
"Land of Sunshine."

(By Gene Jones.)

The Optimist believes in throwing a great amount of light on all subjects, but a little less light on the road and in the other fellows' eyes would be a blessing. Since the advent of electric lights on motor cars, searchlights and blinding headlights have become more and more popular until today, or rather, tonight, each automobile throws a brilliant shaft ahead of it for hundreds of yards.

A great many cities have ordinances against using these powerful lights within their limits; Daytona has not. The least a man can do when he sees the lights of another car in front of him, is to dim his own glaring lights. Then, if the other fellow fails to do likewise, he can turn 'em back on again and "cuss" him out. But don't take for granted the man coming toward you is a road-hog; give him a chance! An ordinance against brilliant head and searchlights on Beach street would be a help to the people who must cross the street. Of course, we refer only to the business portion of town. Good lights are safeguards for night driving, if used properly, yet like all blessings, they can be abused by over-use!

Something about paper! The Daytona Morning Journal published an editorial in which the Christian Science monitor calls attention to the waste of valuable paper in the printing of dinner programs. (We presume the reference pertains to dinner nieces.)

Here's a suggestion: why wouldn't it be an excellent idea for the Clarion to start the good work by abolishing dinner menus? Suppose at the opening dinner a waitress should rush up to you and whisper in your ear, "ham-and-eggs—roastbeefchops—mashed potatoes—sweetwhiteyams—coffeeorteas—apparatists—beans—baked, roasted, boiled—What'll yer have?" Sure that's great dope, isn't it! Makes you feel like a pajama drummer handling a pioneer line through the middle West.

Now we respectfully suggest there are better ways of saving paper such as, the abolishment of useless circular advertisements, "papering" theatres, wedding invitations (what's the use of publishing your sorrows?) Republican newspapers and etc. It seems to us like swallowing a turkey whole and kicking at the neck when the Monitor picks on dinner menus.

By the way, did you see the wonderful monkey at the Arcade? Some monkey, that! Now, we don't mind anyone making a man of a monkey or a monkey of a man, but making a monkey of the public is different! It was stated the monkey would tell your fortune and skate. True, the monkey stood up on skates and as for the fortune business—he did better for his employers than for the audience. Joking aside, the show was fine, though we suggest to the management to next time advertise their "pet" as the Missing Link.

The Missing Link.

A monkey on skates is a novelty shock;
A monkey that talks makes the audience think;
A monkey like that, of Caucasian stock,
We should certainly dub him the Missing Link!

Some people will make themselves monkeys each day;
There are monkeys who seem mighty sane,
But when monkeys are made of the public we say
It's time for us all to complain.

There's nothing quite like the animal show
They pulled off down at the rink;
Even old Barnum would envy the 'bo'
That thought up that Missing Link.

If Dear Johnnie Jones was only in town,
He'd offer a million in dough.
To sign up the Arcade animal clown
To star in the Johnnie Jones show!

Increasing the Distance.

"We have an anti-cigarette league in our town. All the girls who joined have pledged themselves never to marry cigarette smokers." "How are the men taking it?" "Some of the younger ones are worried, but a number of confirmed woman haters have recently acquired the cigarette habit."

C. O. Chamberlin arrived Thursday evening, accompanied by his sister, Mrs. R. E. Gordon, of Brattleboro, Vt., and they are again season guests at the Despland hotel which they have made their winter headquarters since Mr. Chamberlin sold his hotel, the Palmetto, on South Beach street, which he conducted for many years. He continues to operate during the summer the Adirondack Inn, Sacandaga Park, N. Y. Mr. Chamberlin was quite ill for several weeks during the latter part of the summer and his many friends here are glad to know that he is again feeling himself and able to return to Daytona for the season.

Uncle Eben.

"De man dat kin own up dat he needs advice," said Uncle Eben, "is mighty liable to have sense enough to think it up fob nissef."

Famous Hymn Credited to Saint. A famous hymn, "The Day Is Past and Over," is believed to be a translation from the Greek and written by St. Anatolus.

Getting it Back.

Gilbert, a young son of Louis E. Cave, of Holly Hill, met with a very painful accident yesterday afternoon as a result of playing about the front-foot wagons engaged in the roadwork at Holly Hill. Klock was summoned from this city and dressed the wound and did what he could to allay the suffering of the child.

RECKLESS DRIVING CAUSES ACCIDENT

NEGRO FINED \$50 IN POLICE COURT FOR EXCEEDING SPEED LIMIT ON SOUTH RIDGEWOOD AVENUE.

An automobile accident in which two negro men and women had marvelous escapes from serious injury occurred yesterday afternoon when the car in which they were riding collided with a palmetto tree on South Ridgewood avenue, between Bellview and Fremont avenues.

The men were M. M. Edwards and Gad Taylor, of Midway, and two colored dames from Jacksonville. One of the women was severely cut across the chin and jaw and tongue also were injured and the other woman was cut about the legs. Edwards was cut upon the face and Taylor was badly bruised and shaken but escaped other injury. The car was pretty well wrecked. The automobile was headed north at the time of the accident,

and after brushing against one tree struck and completely cut off another palmetto of good size, so great was the momentum and weight of the car, which was owned and driven by Edwards. The negroes are said to have been drinking and the car was being driven at great speed when the smash occurred.

Edwards was arrested by Chief of Police T. O. Milton and appeared in court this morning to answer the charge of reckless and fast driving and drunkenness. He pleaded not guilty, saying that he had not drunk any liquor and that the accident was caused when he turned aside from the asphalt road to pass a Ford driven by a white woman, accompanied by several children. He also stated that he was going faster than 30 miles an hour.

Witnesses to the contrary stated that they could smell the aroma of whisky on Edwards and a quart bottle more than half emptied was found in the tonneau of the car. A nearby resident who saw the accident as it occurred in front of his house, gave his estimate of the car's speed as being at least 40 miles an hour. The court decided that no car going at a reasonable rate of speed could have plowed through the sand and cut

down a palmetto tree in the same manner as Edwards' car. Judge Trower decided that the negro deserved the full limit of the fine for speeding, which is \$50, with an alternative of 30 days in jail. Edwards paid the fine immediately by check.

CAMP FIRE GIRLS HIKE

A party known as Camp Fire girls enjoyed a five mile hike up the Ormond road on Thursday. Dinner was cooked over an open fire, and a very pleasant day was spent. The party was accompanied by the guard, Miss Roberta Hobbs, and a very young friend of the guard, Miss Bandy. This form of pleasure is becoming very popular with the girls as this is the third they have enjoyed recently, as well as a bicycle race which they indulged in to the old sugar mill.
